### Actions arising from the Mid-Nottinghamshire ICP Board

Agenda ref	Date of meeting	Name	Action	Progress	Status
ICP/19/055	16.12.19	Ms Beadling-Barron	To pilot the new model on a small number of programmes and then arrange for an engagement update to be provided to the Board in a few months' time, which included personal stories and/or testimonials with suggestions of how assurance would be provided to the Board.	Three areas were identified to pilot the model in: the Healthy Lung Screening programme, We Are Undefeatables and engagement work with the Bellamy community in Mansfield. Unfortunately due to Covid these have been delayed and/or repurposed while colleagues have been working to focus on supporting the response to coronavirus. These programmes are currently being reviewed to see how/when they will be restarted at which point this model will be piloted.
