

Register of Declared Interests

- The ICP has made arrangements to manage conflicts and potential conflicts of interest to ensure that decisions made by the ICP will be taken and seen to be taken without being unduly influenced by external or private interests.
- The register is reviewed in advance of the meeting to ensure the consideration of any known interests in relation to the meeting agenda. Where necessary (for example, where there is a direct financial interest), members may be fully excluded from participating in an item and this will include them not receiving the paper(s) in advance of the meeting.
- Members and attendees are reminded that they can raise an interest at the beginning of, or during discussion of, an item if they realise that they do have a (potential) interest that hasn't already been declared.
