

# East Midlands NIHR Health & Care Professional Internship 2025-2026 Cohort

EM.HCI is open to health and care professionals at various career stages (excluding doctors and dentists) who work in East Midlands NHS healthcare, social care and public health settings. EM.HCI includes mentorship, a bespoke development plan with individually tailored programmes of research opportunities, projects and workshops. Includes salary backfill of £10,000 during a 6-12 month programme.

## + RESEARCH to your skill set

- Find out ways to include research in everyday practice and foster active research cultures
- Expand your skills and knowledge in research delivery leadership
- Learn about clinical academic careers
