What is working Well?	<div>3 of the 10 ambitions of the best start Strategy are being led by the Early years attainment group</div>	<div>Good engagement of stakeholders in the best start</div>	<div>NHSE prevention work engagement</div>	<div>SB referrals to lung health programme</div> <div>Face to face is picking up</div>	<div>Development of PPS for Network and shared RCH by the facilities team and CVS</div> <div>Mid North successful in the community care transformation programme</div> <div>Swabbing service commissioned until June 2023</div>	<div>Genuine support across all agencies to work together</div> <div>Connections made with the VC to look at how people are identified as best</div>	<div>Refinery - Travel start - hosting a food club by family network and a coffee morning for the community and residents</div> <div>The Strategic Health Partnerships across the districts in Mid North are working well not only in consideration of 12 Objectives but local priorities. Partners and key stakeholders are working together to progress priorities and delivery across the system. The priority neighbourhoods model</div>	<div>Decarbonisation of private homes</div> <div>New social affordable homes</div>	<div>Mansfield Walk and Talk initiative and One Stop At A Time progressing well</div> <div>N and S Consultation has started with the residents for the YMCA community hub.</div> <div>Ashfield Works at Larnas Leisure centre is complete A football programme is growing numbers of young people in</div>	<div>N and S Active &amp; Today Successful in attracting funding to run a 2 yr programme for adults with long term conditions. This diet can and this exercise session successfully delivered.</div> <div>Mansfield Ashfield residents are starting to engage in programmes and activities</div>		
Do you have any areas of concern?	<div>There is currently no early years Foundation stage data, this measures the progress of children in relation to school readiness</div>	<div>Capacity within existing leads to drive and coordinate to support the agenda is limited, which may be a challenge as the work progresses</div>	<div>Preferred place of death has reduced from 87% in April 21 to 81% in Dec 21</div>	<div>Network from Primary Care are still</div> <div>Changes to nationally collected and reported data makes trend analysis unreliable</div>	<div>Lack of face to face IAPT</div>	<div>Objective lead struggling to find time to support the work necessary</div>	<div>Investment in the MUGA facility has led to a drop in the time on the community centre has 7 years left on with NCC and the football foundation want 20 years lease to invest</div> <div>Whilst there is a broadly shared agenda, the perceived importance and priority ranking will differ between organisations which may impact delivery.</div>	<div>Availability of social housing</div> <div>Unregulated supported housing</div>	<div>No</div>	<div>The impact of COVID on some residents to get out and about</div>		
Do you have or foresee any risks to delivering the objectives?	<div>Increasing closure of early years settings including private businesses, charity play centres and schools</div> <div>Families not using children's centres following changes to</div> <div>Areas of deprivation have families more reluctant to access funded childcare</div>	<div>Competing priorities as a result of clinical responsibilities</div> <div>If there is another wave of COVID 19 this may present a risk to delivery.</div>	<div>Redeployment of staff preventing roll out of back pain clinics</div> <div>Challenges in reducing comparable costs and resources for groups - Special, specialist, back pain</div> <div>Information flow from partners</div>	<div>The supply of Chlamydia has been suspended</div>	<div>Information flow from partners</div>	<div>Meetings regularly cancelled due to other pressures with winter and the pandemic</div>	<div>Not being able to repurpose the house into MDC not being able to capitalise on the investment opportunity in the MUGA facility</div> <div>Multiple funding streams, varying criteria for delivery and governance arrangements across organisations. Delivery time requires a multi-partner approach as well as real engagement from community leaders to make things happen</div>	<div>Roughsleeping and homelessness, those known to MDC have very complex issues including mental health and substance misuse</div> <div>The council holds MDT meetings and complex case panels but it can be challenging to gather all services together</div>	<div>No</div>	<div>Capacity in the districts to continue to work in this way is redirected into other work</div>		
What would you like to celebrate?	<div>All 2 year olds from low income families are entitled to 15 hours of funded education per week.</div> <div>This has risen from around 60% to 82%</div>	<div>Funding has been secured to introduce a new parent / infant interaction team into the healthy families programme.</div>	<div>Mid North CVS Healthy Project, a Successful bid by the CVS and PBP team for a 2 year project.</div> <div>Patient stories brought to EDL</div>	<div>A place at the Glowworm festival</div> <div>Engagement officers to support increasing numbers to set a goal date</div>	<div>Strengthening CVS relationships with both PCNs and PPSs, leading to a more effective and productive working relationship and better dissemination of information and resources.</div>	<div>Therapist community of practice for Falls</div> <div>General enthusiasm for the work, is only hampered by the time capacity of stakeholders</div>	<div>Delivery of the Balfour masterplan and redevelopment of the centre of the estate has now secured planning</div>	<div>Roughsleeping reduced from 27 in 2020 to as low as 2 in 2021</div> <div>The Sutton PL kicks work</div> <div>Mansfield CVS are part of a National steering group to influence DWP policy</div>	<div>The production of the Nottinghamshire Health and Wellbeing physical activity insight</div>			
Any further comments you would like the group to know?	<div>The best start ambition is central in the development of family hub networks</div>	<div>Giving every child the best start in life remains one of the key priorities in the refreshed Health and Wellbeing Strategy</div>	<div>Building on the relationships with the VCE</div> <div>Monthly meetings discussing opportunities</div>	<div>NRT to be available via direct supply March 2022</div> <div>A process for supporting referrals as NRT for 12 weeks, patients are discharged with an appointment</div>	<div>Exciting work ahead</div>	<div>The patients have had the best start plan, however, because of being in a care home, they are not in a position to make a difference</div> <div>Connections with the VC and community groups to make more important and there is a need to develop work collaboratively to make a difference</div>	<div>The private sector housing team and housing needs team are working together to launch a Mansfield healthy housing hub to launch from April 2022</div>
