What is working Well?	3 of the 10 ambitions of the best start Strategy are being led by the Early years attainment group	Good engagement of stakeholders in the best start	NHSE prevention work engagement	SB referrals to lung health programme Face to face in picking up	Development of PPO for Newark and Newark OCN by the localities team and CVS Swabbing service commissioned until June 2023 Mid North successful in the community care transformation programme	Genuine support across all agencies to work together Communities made with the NHS to see how people are identified as well	Refurb - Trust east facing a food lab by Family network and a coffee morning for the tenants and residents NHSE prevent work looking to lease the centre giving greater access to community space for the centre. The Strategic Health partnerships across the districts in Mid North are working well not only in consideration of COVID but also in other areas. Partners and key stakeholders are working together to progress priorities and deliver across the system. The private neighbourhoods needs	Decarbonisation of private homes New social affordable homes	Mansfield Walk and Talk initiative and One Stop At A Time progressing well N and S Consultation has started with the residents for the YMCA community hub. Ashfield Works at Llamas Leisure centre is complete Ashfield programme is growing numbers of young people in	N and S Active 4 Today Successful in attracting funding to run a 2 yr programme for adults with long term conditions. Ashfield Ash working with Common residents through new lease at a time Mansfield Safeguarding reviews are meeting to update the programme and activities.	
Do you have any areas of concern?	There is currently no early years Foundation stage data, this measures the progress of children in relation to school readiness	Capacity within existing leads to drive and coordinate to support the agenda is limited, which may be a challenge as the work progresses	Preferred place of death has reduced from 87% in April 21 to 81% in Dec 21	Referrals from Primary Care are low Changes to Nationaly collected and reported data makes trend analysis unreliable	lack of face to face IAPT	Objective lead struggling to find time to support the work necessary	Investment in the MUGA facility has led to a delay in the time on the community centre has 7 years left on with NCC and the football foundation want 20 years lease to invest	Whilst there is a broadly shared agenda, the perceived importance and priority setting will differ between organisations which may impact delivery.	Availability of social housing Unregulated supported housing	No	The impact of COVID on some residents to get out and about
Do you have or foresee any risks to delivering the objectives?	Increasing closure of early years settings including private businesses, charity play schools and schools Families not using childrens centres following changes in Areas of deprivation have families more exposed to more limited choices	Competing priorities as a result of clinical responsibilities If there is another wave of COVID 19 this may present a risk to delivery.	Redeployment of staff preventing roll out of best practice Challenges in reducing hospital care and resources for groups - Special, complex, back pain Information flow from partners	The supply of Champix has been suspended	information flow from partners	Meetings regularly preventing roll out of other progress with winter and the pandemic	Not being able to repurpose the MUGA puts MDC off not being able to capitalise on the investment opportunity in the MUGA facility Mansfield Building closure, saving a chance for delivery and governance arrangements A multi partner approach as well as an engagement from community leaders to make things happen	Roughsleeping and homelessness, those known to MDC have very complex issues including mental health and substance misuse The council holds MDT meetings and complex case panels but it can be challenging to gather all services together	No	Capacity in the districts to continue to work in this way is redirected into other work	
What would you like to celebrate?	All 2 year olds from low income families are entitled to 15 hours of funded education per week. This has rose from around 60% to 82%	Funding has been secured to introduce a new parent / Infant interaction team into the healthy families programme.	Mid North CVS Incentive Project, a Successful bid by the CVS and PBP team for a 2 year project. Patient stories brought to EDL	A place at the Gloworm festival Engagement officers to support increasing numbers to get a quit date	Strengthening CVS relationships with both PCHs and PPOs, leading to a more effective and productive working partnership and better dissemination of information and resources.	Therapists community of practice for Falls General Enthusiasm for the war, it only happened by the time opportunity of opportunities	Delivery of the Bathing mast program and redevelopment of the centre of the estate has now secured planning	Roughsleeping reduced from 27 in 2020 to as low as 2 in 2021 The Sutton PL kicks work Mansfield CVS are part of a National steering group to influence DWP policy	The production of the Nottinghamshire Health and Wellbeing physical activity insight		
Any further comments you would like the group to know?	The best start ambition is central in the development of family hub networks	Giving every child the best start in life remains one of the key priorities in the refreshed Health and Wellbeing Strategy	Building on the relationships with the VCSE Monthly meetings discussing opportunities	NRT to be available via direct supply March 202 A process for supporting referrals at NRT for 12 weeks, patients are discharged with an appointment	Exciting work ahead	The patients has led in the new phase becoming inclusive and family friendly Connections with the VCSE and community groups to have more frequent and there is a real desire to work collaboratively to make a difference	The private sector housing team and housing needs team are working together to launch a Mansfield healthy housing hub to launch from April 2022
