

MID-NOTTS ICP QUARTERLY UPDATE JULY-SEPT 2019

A&E ATTENDANCES

Since April 2019, 2,600 more people were seen than were planned for (5.1% above plan).

EMERGENCY ADMISSIONS

An extra 1,000 people have been admitted since April 2019 (6.7% above plan)

Mid-Nottinghamshire
Integrated Care Partnership

OUT PATIENT (OP) APPOINTMENTS

792 fewer people had first OP appointments (1.9% less than planned). But 8,852 more people had an OP follow up appointment (9.1% above plan).

HIGH INTENSITY SERVICE USERS

Work with people who find themselves repeatedly using emergency services has seen them reduce the amount of attendances by 20 a month for August and September 2019.
