Interested in connecting with leaders across our system?

We are running a one day in-person event. An interactive day of open conversations world-cafe style event. Context setting with Q&A with Diane-Kareen Charles, Director of Quality (ICB) and Dr Dave Briggs, Medical Director (ICB).

**On:** Friday 25th October 2024 - 1000 to 1530

**At:** Trent Bridge Cricket Ground, Derek Randall Suite

## You will:

- Learn/join about our development programmes ie: Imperial/Corndel executive leadership, coaching, Active Bystander, Leadership Centre Systems Leadership Programme, Online learning hub progress
- Shape our quality framework for our ICS
- Share your successes: Stand/Poster Space
- Join our System Leaders Community of Practice
- Understand what leading in our ICS means for you

Our Innovation Challenges are whole system programmes within our ICS exemplar hub.

They aim to generate conversations for new ideas that can work

These powerful interventions are powerful enablers in our transformation to health

- Engage with other leaders, joining forces to reduce workloads and align commitments
- Shape our strategies and frameworks
